S.L.A.A. Fellowship Wide Services
Conference Literature Committee (CLC)

To all members of SLAA,

from the Conference Literature Committee,

We invite you to participate in the SLAA literature-creation process in any way that works for you.

The Conference Literature Committee (CLC) has a new level of participation called CLC “Friends.”

CLC “Friends” is an email list you can join to receive regular information about CLC activities, review preliminary drafts, and learn of opportunities to be of service in the creation of new SLAA Conference-approved literature.

To join this email list send your email address along with your first name and last initial (add your location or phone if you’d like) to literature@slaafws.org with a request to become a CLC “Friend” or send your request through the SLAA FWS website's Contact Us / Conference Committees / Literature Committee page.

You may also include questions, comments and suggestions in your email.

Respectfully submitted in service,
Sam A., CLC Chair
