

PRISON OUTREACH COMMITTEE

The POC mission is to carry our message of recovery from Sex and Love Addiction to the addict who still suffers inside and outside of the legal system.

WHO WE ARE-

We are an international committee that discusses matters of common interest regarding S.L.A.A. prison service work. We do this with several conference calls each year and via e-mail. We believe that recovery is possible through this 12 Step Program of faith and hope, no matter how hopeless one's life is.

WHAT WE DO –

1. Provide, free of charge, the S.L.A.A. Basic Text and other S.L.A.A. literature, to both the inmates and the prison libraries and social workers.
2. Provide S.L.A.A. pen pals for the inmates interested in S.L.A.A. recovery.
3. Provide S.L.A.A. sponsors for those inmates interested in S.L.A.A. recovery.
4. Help to start S.L.A.A. meetings inside facilities either in person or by sending the "How to Run an S.L.A.A. Meeting packet.
5. Connect inmates, upon release, with local meeting schedules and contacts.
